Dear Parents/Guardians,

Leon County Schools is excited to announce an incredible opportunity on October 23rd for your 9th-grade student! We have organized a county-wide field trip to attend the North Florida World of Works (WOW) to expose your student to various career possibilities and provide them with hands-on experiences in high-demand career clusters. This field trip with students and teacher chaperones will take place on the campuses of Lively Technical College and Tallahassee State College (500 N. Appleyard Dr., Tallahassee, FL 32304).

The primary goal of this field trip is to help your students explore different career paths and better understand the options available to them after high school. By participating in this event, they will interact with various professionals from our region to gain insight into high-demand, high-wage careers. Learn more about North Florida Worlds of Work at www.northfloridaworldsofwork.com.
