

**AIRCRAFT PROPELLER SERVICE, LLC (“APS-US”)
TERMS AND CONDITIONS**

THESE TERMS AND CONDITIONS APPLY TO THE FOLLOWING QUOTES OF APS-US, AS MAY BE AMENDED FROM TIME TO TIME (each a “Quote” and collectively the “Quotes”):

Work Order Quote: Each and every present and future Work Order Quote (as amended)

Sales Quote: Each and every present and future Sales Quote (as amended)

Exchange Quote: Each and every present and future Exchange Quote (as amended)

PAYMENT TERMS: As stated in the applicable Quote

1. Terms and Conditions: These Terms and Conditions of Sale (“Terms”) are the only terms and conditions which govern all sales made by **APS-US** to **Customer** and constitute the entire agreement between **APS-US** and **Customer**. The Terms are posted online at </customer-terms-and-conditions-usa.html> and are incorporated into, and are a binding part of, all Quotes and work with **Customer**. These Terms supersede and cancel any prior discussions, understandings, agreements, or representations (oral or written) between **APS-US** and **Customer**. **APS-US** and **Customer** hereby together exclude **Customer’s** general or specific terms and conditions, even if their application has not been expressly rejected. No addition to or modification of these Terms shall be binding upon **APS-US** unless expressly agreed to by **APS-US** in writing, and, if these Terms are deemed an offer, acceptance is expressly limited to these Terms. No addition to or modification of these Terms shall be binding upon **APS-US** unless expressly agreed to by **APS-US** in writing.

2. Definitions: Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in Section 20 below.

3. Quotations: **Customer** will purchase Products and/or Services from **APS-US** by accepting the written quotation provided by **APS-US** as a Work Order Quote, a Sales Quote, or Exchange Quote. These Terms will apply to each Quote and supersede any different or additional terms on the Quote (except to the extent the Quote specifies delivery dates and quantities, the ship-to and bill-to addresses, and the applicable price for each Product and/or Service). The Quote will be valid for thirty (30) days from the Quote Date as indicated on the Quote. **APS-US** may extend the Quote validity date, in its sole discretion, upon **Customer’s** written request which is accepted by **APS-US** in writing. Delivery dates are determined from the date of each Quote and are estimates of the approximate dates of delivery, not a guarantee of a particular day of delivery. **APS-US** hereby reserves the right to stop work and submit a new Quote to **Customer** should further processing show any previously undetected fault or hidden condition which a visual inspection reasonably conducted at the time when the Quote was prepared would not have uncovered. If a new Quote is issued, any estimated ship date previously provided will be subject to a new agreed delivery date. **APS-US** will not conduct any additional work until **Customer** accepts and executes the new Quote. **Customer** acknowledges and agrees that in order to prepare the Quote, **APS-US** must incur costs to inspect, in accordance with any applicable manual, the components sent by **Customer**, so **Customer** hereby agrees to pay **APS-US** an inspection fee listed on the Quote (the “Inspection Fee”). In the event that **APS-US** stops work and submits a new Quote to **Customer**, **Customer** agrees to pay the Inspection Fee plus the cost of all part(s) and labor used or incurred by **APS-US** in performing Services prior to stopping work (the “Initial Costs”).

4. Purchase Price: Customer will pay **APS-US's** price for Products and Services in effect at the time of shipment as set forth in the Quote (the "Purchase Price"). **Customer** shall be responsible for the payment of all taxes, withholding, duties, and other governmental assessments upon or with respect to the sale, purchase, use, receipt, or shipment of Customer Parts, Products, and/or Services (other than taxes based solely on **APS-US's** net income), including sales or use tax or similar taxes, provided that **APS-US** will not invoice **Customer** for taxes to the extent **Customer** has provided **APS-US** with evidence that **Customer** is exempt from paying and **APS-US** is exempt from collecting such tax. The Purchase Price shall be paid in U.S. Dollars. **APS-US** shall cooperate with **Customer** as reasonably requested by **Customer** to reasonably optimize tax effects. If **Customer** uses the **APS-US** Exchange program, the blade sent by **Customer** for an exchange must be in "similar condition" and have "equivalent market value" to the blade **APS-US** sends to **Customer**. It is solely in the determination of the internal policies of **APS-US** (as in effect from time to time) whether the **Customer** exchanged blade is in "similar condition" and has "equivalent market value" to the **APS-US** blade. If the exchanged blade is not in "similar condition" or does not possess "equivalent market value", then **APS-US** will charge an additional fee based on the difference in market value of the blades, which will be decided in the sole discretion of **APS-US**.

5. Payment Terms: Unless otherwise stated, **Customer** shall pay all amounts invoiced within 30 days from invoice date, unless such amounts are reasonably challenged by **Customer**, in which case **APS-US** and **Customer** agree to dedicate the proper resources and to cooperate, all so that the challenge is promptly resolved. **APS-US** may, at its sole discretion, agree to special terms for individual customers. If **APS-US** at any time determines that **Customer's** credit is not satisfactory, more restrictive terms (such as Cash-in-Advance or Cash-on-Delivery) may be applied at the sole discretion of **APS-US**. Payment shall be made by cash, check, wire transfer, or credit card (Visa, MasterCard, Discover and American Express). At **APS-US's** sole discretion, all sums not paid when due will accrue interest daily at the lesser of an annual rate of percent (12%), escalating to an annual rate of twenty-four percent (24%) after sixty (60) days past due or the highest rate permissible by law on the unpaid balance until paid in full (the "Late Payment Interest"). **Customer** shall have no right to offset or deduct any amount from the amounts owed to **APS-US** pursuant to any Quote. In any action by **APS-US** to enforce its right to payment against **Customer**, **APS-US** shall be entitled to recover its reasonable attorneys' fees, costs and Enforcement Expenses from **Customer**. **Customer** acknowledges and agrees that **APS-US** shall have the right to offset any amounts owed by **Customer** against any Products or **Customer's** parts ("Customer Parts") covered by a Service or by these Terms, or against any other Products or Customer Parts worked on by **APS-US** or sold by **APS-US** to **Customer**. **Customer** further acknowledges that **APS-US** may seize any Customer Parts provided to **APS-US** by **Customer** in respect of any Service, in order to satisfy delinquent amounts, provided such seizure is promptly lifted upon receipt of the outstanding amount. In addition, **APS-US** shall have a lien against all Customer Parts in **APS-US's** possession (for as long as such possession is maintained) to secure the payment of amounts owed to **APS-US** on any one or more Customer Parts regardless of whether **APS-US** still has possession of the Customer Parts for which amounts are owed.

6. Customer Liability for Storage: In the event that any Customer Parts remain at **APS-US's** facility for more than thirty (30) days following the delivery by **APS-US** of the Quote and the **Customer** has not accepted the Quote, **Customer** shall pay to **APS-US** a fee of 1% of the amount of the Quote per day past day thirty (30) of the Quote date (the "Daily Fee") but the aggregated Daily Fees shall not exceed the total amount of the Quote. Daily Fees shall accrue until either of the following occurs, with the understanding that the Daily Fees shall nevertheless be due and paid by **Customer** in their accrued amount regardless of whether or not the following occur(s):

- a. **Customer** executes and returns the Quote to **APS-US** and accepts the Terms; or
- b. **Customer** Notifies **APS-US** that **Customer** desires such Customer Part to be returned.

Either of the above a. and b. options constitute a “Valid Customer Response.” **APS-US** may waive Daily Fees if **Customer** notifies **APS-US** that **Customer** requires more time to evaluate the Quote and agrees with **APS-US** to a valid extension in calendar-days.

If **Customer** does not provide a Valid Customer Response within thirty (30) additional days, or sixty (60) total days following delivery of a Quote, **APS-US** may elect from the following two choices in its sole discretion, to which **Customer** hereby consents: **First**, **APS-US** may elect to return the Customer Part(s) and invoice **Customer** for all substantiated costs and expenses incurred in connection with the storage and return of the Customer Parts, including all Enforcement Expenses, all non-waived Daily Fees, all reasonable attorneys’ fees, costs, and expenses, and all collection and/or shipping fees, costs, and expenses. **Second**, **APS-US** may enforce its lien against all Customer Parts (including without limitation on Customer Part(s) on which Daily Fees have accrued) as security for amounts owed under the rights stated in Section 8 below, provided that **APS-US** shall surrender such lien and the Customer Part(s) on which Daily Fees have accrued promptly upon receipt of the outstanding amounts owed on all such Customer Part(s).

Furthermore, **Customer** acknowledges and agrees that **APS-US** has the right to return, designate as scrap, destroy, and/or dispose any Customer Parts on which Daily Fees have accrued, with no recovery to **Customer** if a Valid Customer Response is not received by **APS-US** within three (3) months of delivery by **APS-US** of the Quote, or if **Customer** does not provide return shipping instructions, or if **Customer** does not provide adequate, advance payment of shipping expenses. In no case shall **APS-US** be required to allow a Customer Part designated as scrap to remain at an **APS-US** facility for more than three (3) months following delivery of Quote.

7. CMM Compliance: Over the course of repairs, if an attribute of a Customer Part exceeds the Component Maintenance Manual (CMM) limits or fails to meet CMM requirements (a “Failed Component”), the Customer Part is deemed scrap. In certain cases, there is a possibility that a Failed Component may be salvaged via application of proprietary, OEM-developed repair techniques. **APS-US** will make every commercially reasonable effort to salvage a Failed Component. Each Failed Component shall be judged based on its own condition and in comparison to the CMM. While these attempts are successful in some cases, there are other instances where these proprietary repair techniques are not able to salvage a Failed Component. In cases where a Failed Component remains in violation of both CMM and OEM engineering limits, **APS-US** will make its best effort to offer **Customer** a discounted replacement Product (serviceable or new) which meets the requirements of the current, applicable OEM Commercial Policy. **APS-US** shall promptly inform **Customer** if a Customer Part becomes a Failed Component, and keep **Customer** informed of any efforts to salvage such Failed Component as requested by **Customer**.

8. Security for Products: **APS-US** and **Customer** agree to the following rules on liens and lien enforcement:

- A. Until **Customer** pays **APS-US** in full for all Products and Services covered by all Quotes, title to all Customer Parts and all Products, whether new or overhauled, which are covered by any Quote shall remain in **APS-US**.

- B. **Customer** hereby grants a lien and security interest against **Customer's** right, title, and interest in all Customer Parts, Products, and property items of **Customer**, which are possessed or controlled by **APS-US**, shipped to **Customer**, serviced by **APS-US**, repaired by **APS-US**, or returned by **APS-US** to **Customer**, as well as all other property items belonging to **Customer** which are at any time in the possession or control of **APS-US** (each such Customer Part, Product, and property item a "Liened Part"). **APS-US** shall additionally possess: (i) a statutory lien under the Illinois Labor and Storage Lien Act (the "Lien Act"), (ii) all mechanic's lien rights (whether in equity, under the common law, or by statute), (iii) a possessory lien on all Customer Parts Products, and property items of **Customer**, all for so long as possession or control of such Customer Parts, Products, and property items is maintained by **APS-US**, (iii) a first-priority purchase money security interest to the extent applicable in all Customer Parts, Products, and property items of **Customer**, and (iv) in any and all other property items owned or controlled by **Customer** and within **APS-US's** possession or control at any facility or location owned or controlled by **APS-US**, all to secure the full and prompt payment of all amounts owed to **APS-US** by **Customer** (even amounts owed on Customer Parts, Products, or property items of **Customer** which have left **APS-US's** possession or control), and **Customer** agrees and undertakes to indemnify and hold **APS-US** harmless from any and all claims, losses, damages, or liabilities, including legal fees and costs, that may arise as a result of the retention, disposal, and/or sale of Liened Parts. Also, **Customer** expressly agrees and grants **APS-US** the right to retain and dispose or sell any or all Liened Parts in **APS-US's** possession or control. If **Customer** shall default in any payments or does not provide a Valid Customer Response, **APS-US** shall hold in and against the Liened Parts while in **APS-US's** possession or control all the rights and entitlements of: (i) a titleholder, (ii) a secured party under the UCC, (iii) a statutory lienholder, and (iv) a possessory lien holder under the common law or in equity (for clarity, on all Customer Parts, Products, and property items of **Customer** while in the possession or control of **APS-US**), in each case to secure the performance of all duties or obligations on which **Customer** has defaulted (whether or not the Customer Parts, Products, or other property items are in **APS-US's** possession or control), and also in each case without prejudice to the rights of **APS-US** under any law then in force.
- C. **APS-US** may retain and deduct a sum as reasonable storage charges and any other expenses from any payments received by **APS-US** on account of the Purchase Price, whether **Customer's** default shall have occurred before or after delivery. Under UCC Section 9-610 and any other relevant law, **APS-US** may thirty (30) calendar days after payment is past due exercise its above-stated rights and lien rights by selling any Liened Part to any private party by a private sale. **APS-US** may file one or more financing statements to perfect its security interests in Liened Parts. If necessary, **Customer** shall execute such financing statements upon the request of **APS-US**, and hereby appoints **APS-US** as **Customer's** agent with authority to sign for **Customer** all such financing statements. **Customer** agrees that in the event **Customer** fails to pay in full any amounts due under any Quote within thirty-one (31) days after completion of **APS-US's** efforts under such Quote and notice to **Customer** of such completion, **APS-US** shall have the right to recover such amounts by: (i) selling ten (10) days thereafter any Liened Part then in **APS-US's** possession or control (whether Services have been performed on such Liened Part or not) at a private sale to a private party under UCC Section 9-610, or (ii) filing a lien notice with the Lake County, Illinois Recorder of Deeds and selling through foreclosure at public auction as allowed by the Lien Act any Customer Part, Product, or property item of **Customer** then in **APS-US's** possession or control, in addition to **APS-US's** rights under any rule of law. **Customer** expressly agrees to and irrevocably appoints **APS-US** as **Customer's** agent to effect such sale and transfer good title to any purchaser.

- D. Any proceeds received by **APS-US** for selling one or more Liened Parts in excess of the amounts owed by **Customer** to **APS-US**, including substantiated amounts incurred by **APS-US** for storage, Inspection Fees, Late Payment Interest, Initial Costs, reasonable attorney's fees, interest, any expenses of sale, out of pocket expenses, amounts allowed under these Terms and under rule of law, and any expenses of enforcement of the rights of **APS-US** (the "Enforcement Expenses"), shall be remitted to **Customer**. **APS-US** reserves the right to ship Customer Parts and Products to **Customer** only if, in **APS-US's** sole opinion, **APS-US** possesses adequate security to collateralize the Customer Parts and the Products requested to be shipped by **Customer**. **APS-US** shall receive any requested additional collateral at any time if **APS-US** deems itself insecure. The rights of **APS-US** shall be cumulative with any other rights not stated in these Terms. **Customer** warrants and represents that these security rights of **APS-US** are first priority and are not subordinate to any other party. **APS-US** shall inform **Customer** of any charge, lien, mortgage, or other encumbrance that is attaching or may be attaching to a Liened Part. Subject to these Terms, **APS-US** shall cooperate as reasonably requested by **Customer** to nullify or release any such charge, lien, mortgage, or other encumbrance upon satisfaction of **Customer's** obligations on which **Customer** has defaulted, and payment to **APS-US** of all amounts owed to **APS-US** (whether on the Liened Parts or Customer Parts, Products, or Services).

9. Production; Shipping; Title and Risk of Loss: **APS-US** reserves the right to repair, produce and ship all or any portion of the Customer Parts and the Products specified in any Quote from any one or more of its plants or facilities. **APS-US** shall mark all Customer Parts and Products for shipment to **Customer's** address set forth on the Quote. All Customer Parts and Products are delivered Ex Works per INCOTERMS 2010 for international shipments **APS-US's** applicable warehouse or place of production. **Customer** shall include complete shipping instructions on the Quote. **APS-US** will use its reasonable commercial efforts to comply with such instructions, provided, however, if **Customer** does not designate a carrier or method of shipment, **APS-US** determines the carrier or method of shipment specified by **Customer** is unavailable, or **APS-US** reasonably determines the carrier or method of shipment is unsatisfactory for shipment of Customer Parts or Products, **APS-US** may designate the carrier or method of shipment. In the event of any such change, **APS-US** shall promptly notify **Customer**. Subject to these Terms, **APS-US** shall use its reasonable commercial efforts to fill promptly (by full or partial shipment) the Quote, insofar as practical and consistent with **APS-US's** then-current lead-time schedule, shipping schedule, access to supplies on acceptable terms, and allocation of available Products and capacity among **APS-US's** customers. Each partial shipment shall be deemed a separate sale and may be invoiced upon such shipment. **Customer** may not decrease, reschedule or cancel any Quote. Regardless of the shipping terms utilized, title to and risk of loss of the Customer Parts and the Products shall pass to **Customer** at the time the Customer Parts and the Products are placed in the possession of the carrier. Upon tender of delivery of Customer Parts and Products, **Customer** will provide **APS-US** with immediate telephone or e-mail notification of any alleged nonconformity, including any shortage or other discrepancy or situation which **Customer** believes may impair the value of the Customer Parts or the Products or justify payment of less than the amount invoiced for such Customer Parts and such Products. If notice is not so made within 48 hours after tender of delivery of Customer Parts or Products, then **Customer** shall be deemed to have accepted the Customer Parts and the Products as conforming in all respects and will submit to **APS-US** full payment therefor on or before the date set forth in Section 5 above. Within five (5) days after any such telephonic or e-mail notice described above, **Customer** will send **APS-US** a detailed written confirmation thereof and will attach all documents relevant to the alleged non-conforming Products. Any payment for less than the amount invoiced must be authorized in advance by **APS-US** through assignment of a credit/claim number. The assignment of a credit/claim number shall not constitute final approval of **Customer's** claim or constitute a waiver of any of **Customer's** obligations or **APS-US's** rights

hereunder. No Products shall be returned to **APS-US** without **APS-US's** written authorization. **Customer** shall pay a 12% restocking charge on all Products returned to **APS-US**, except if the return of a Product is caused by **APS-US** default.

10. Quality Assurance: **APS-US** will make every reasonable effort to meet any special quality assurance specifications and/or other requirements of **Customer** as long as they do not conflict with US Federal Aviation Administration requirements and directives.

11. Default: If **Customer** (a) fails to furnish shipping instructions for Products within the time specified, (b) fails to order any shipment of Products within the time specified therefor, (c) fails to supply adequate credit within the time specified, (d) fails or refuses to accept any shipment of Products properly tendered, (e) fails to tender any payment when due in accordance with these Terms and the terms of the applicable Quote, (f) is determined by **APS-US** to be likely to default on any such payment, including if **Customer** is unable, or states that it is unable, to pay its debts as and when they become due or if **APS-US** reasonably believes **Customer** will not pay its debts when due or where a receiver is appointed for all or any portion of the assets of **Customer**, (g) fails to provide a Valid Customer Response or (h) fails in any other respect to perform its obligations in accordance with these Terms, the occurrence of any of the events specified in clauses (a) – (h) above being deemed to constitute a material breach hereof if such material breach is not cured (if capable of being cured) within thirty (30) days thereof, **APS-US** may treat such default as (i) a total breach of the entire contract, or (ii) a breach only as to the individual shipment or installment, and, in addition to any other rights or remedies which **APS-US** may have at law or in equity or by statute, **APS-US** may (x) cancel the Quote, (y) terminate the Quote as to the portion thereof in default or as to any unshipped balance, or both, and/or (z) take possession of and sell, after ten (10) days, any of the Customer Parts and the Products which have been shipped and which **Customer** has wrongfully failed to accept or refused to accept, and receive from **Customer** the difference between the Purchase Price with respect to such Customer Parts and such Products and the sale price to a third party (if less), as well as Enforcement Expenses. If the sale price to a third party is more than the amount outstanding from **Customer**, **APS-US** shall promptly pay such excess to **Customer**. All rights and remedies of **APS-US** shall be cumulative and not exclusive of any other rights or remedies which **APS-US** would otherwise have at law or in equity. **Customer** shall cooperate with **APS-US** in **APS-US's** enforcement of its rights and remedies hereunder, including granting **APS-US** access to **Customer's** facilities for the purpose of retaking possession of any Customer Parts or any Products that are the subject of a default, and shall indemnify **APS-US** for all substantiated costs and expenses (including reasonable attorneys' fees and Enforcement Expenses) incurred by **APS-US** in connection with the repossession, transport and/or disposal of any Customer Parts or any Products that perish, become damaged or tainted, or otherwise become unsalable as a direct or indirect result of **Customer** default or **Customer** being unable or unwilling to accept delivery of such Customer Parts or such Products.

12. Descriptions and Specifications: To the extent permitted by applicable law, all descriptive specifications and other data furnished by **APS-US** or otherwise contained in catalogues or other advertising materials are approximate only and are intended to be merely a general description of Products and are not incorporated by reference into any agreement between **APS-US** and **Customer**, under these Terms or otherwise. To the extent permitted by applicable law, any description or visual representation or details of Product provided by **APS-US** to **Customer** are representative only, and the actual Product delivered may differ.

13. Limited Warranty; Limitation of Liability: **APS-US** represents and warrants to **Customer** that **APS-US** has the right to convey good title to Products sold pursuant to a Quote. EXCEPT AS EXPRESSLY SET FORTH IN THE IMMEDIATELY PRECEDING SENTENCE AND IN SECTIONS 13(A) AND 13(B) HEREOF, AS APPLICABLE, **APS-US** AND **CUSTOMER** HEREBY AGREE (i) THAT **APS-US** HAS NOT GIVEN ANY WARRANTIES OF ANY KIND WHATSOEVER BEYOND SUCH

SENTENCE AND SUCH SECTIONS, AND (ii) THAT ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS HAVE BEEN ALL EXCLUDED AND RENDERED INAPPLICABLE. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH HEREIN, IN NO EVENT SHALL **APS-US** BE LIABLE TO **CUSTOMER** OR ANY THIRD PARTY FOR ANY DIRECT OR INDIRECT DAMAGES WHATSOEVER INCLUDING DAMAGES FOR LOSS OF BUSINESS, LOST PROFITS, DAMAGE TO GOODWILL OR REPUTATION, BUSINESS INTERRUPTION, OTHER PECUNIARY LOSS OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, WHETHER ARISING OUT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE, FAILURE TO WARN OR STRICT LIABILITY), CONTRIBUTION, INDEMNITY, SUBROGATION OR OTHERWISE, EVEN IF **APS-US** HAS BEEN ADVISED OR BECOME AWARE OF THE LIKELIHOOD OF SUCH DAMAGES. **CUSTOMER** ASSUMES ALL RISKS AND LIABILITIES FOR ANY LOSS, DAMAGE OR INJURY TO PERSONS OR PROPERTY RESULTING FROM THE USE OR SUBSEQUENT SALE OF THE PARTS OR PRODUCTS OR SERVICES, EITHER ALONE OR IN COMBINATION WITH OTHER ITEMS. WITHOUT LIMITING THE FOREGOING, **APS-US'S** MAXIMUM LIABILITY HEREUNDER WILL NOT EXCEED THE AMOUNT ACTUALLY PAID TO **APS-US** FOR THE PARTS, PRODUCTS, SERVICES, OR ITEMS SUBJECT TO THE CLAIM. THE PARTIES HERETO AGREE THAT THIS PROVISION SHALL SURVIVE EXPIRATION OR TERMINATION OF THESE TERMS.

A. No Warranty for New Products or Propeller Control Unit Repairs: **Customer** acknowledges and agrees that all new Products and all propeller control unit repairs are sold and made "AS IS, WHERE IS, ALL FAULTS (IF ANY) INCLUDED" BUT FREE OF ALL LIENS, MORTGAGES, CHARGES OR OTHER LEGAL ENCUMBRANCES (EXCEPT THOSE IN FAVOR OF **APS-US** PER THESE TERMS), AND THAT NO WARRANTY OF ANY KIND IS GIVEN BY **APS-US**, WHETHER EXPRESSED, IMPLIED OR STATUTORY, INCLUDING, BUT NOT BY WAY OF LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. **Customer** acknowledges that when **Customer** is purchasing new Products from **APS-US** in **APS-US's** capacity as a distributor of such products for the manufacturers of such products. **Customer** acknowledges that it will look solely to the warranty(ies), if any, provided by the manufacturer and that **APS-US** makes no warranties on its own behalf hereunder.

B. Limited Warranty for Exchangeable Products and Overhaul Condition Products. **APS-US** warrants that the Products received by **Customer** pursuant to an Exchange Quote and all overhaul condition Products repaired by **APS-US** are at the time of delivery and to the extent of the repairs performed, free from defects in material and workmanship. No warranty is made with respect to (a) any Product that has been subject to negligence, accident or improper storage; (b) any Product that has been improperly installed or maintained; or (c) any Product that has been operated beyond normal or manufacturer recommended replacement intervals. **APS-US's** obligation under this warranty is limited to the repair or replacement of, or at **APS-US's** option, the return of the Purchase Price of any Product returned to **APS-US** or its designated representative (at **Customer's** sole cost and expense) within one (1) year from the date of purchase and which, upon inspection by **APS-US** is found by **APS-US** to be defective in material or workmanship. **APS-US** shall not be responsible for the labor cost of removal for any defective product, or installation of any replacement product. THE AFORESAID WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED, IMPLIED OR STATUTORY, INCLUDING, BUT NOT BY WAY OF LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

14. Exclusive Remedy: **Customer's** exclusive remedy and **APS-US's** sole liability for a nonconforming Product or Service, including for breach of the limited warranty set forth in Section 13 above, is expressly limited to, at **APS-US's** discretion, a refund of the Purchase Price paid by **Customer** with respect to such nonconforming Product or Service, or repair or replacement of such nonconforming Product or the Customer Part on which nonconforming Service was performed. All nonconforming Products, at **APS-US's** option, shall be either (a) returned to **APS-US**, at **APS-US's** expense, or (b) disposed of by **Customer** in a manner mutually acceptable to **APS-US** and **Customer** with all reasonable costs of disposition to be paid by **APS-US**. **Customer** shall not return or dispose of any Product except upon receipt of, and in accordance with, instructions provided by **APS-US**. **Customer** shall properly store all such Products in accordance with industry standards while awaiting such instructions from **APS-US**. **CUSTOMER** EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE REMEDIES GRANTED TO **CUSTOMER** BY THESE TERMS ARE **CUSTOMER'S** SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO ANY CLAIM BY **CUSTOMER** IN CONNECTION WITH OR RELATING TO THE PRODUCTS OR TO THE SERVICES.

15. Indemnity: **Customer** will indemnify, defend, and hold harmless **APS-US** and affiliates, the assignees of each, and their respective directors, officers, managers, agents, employees, and privies from and against all liabilities, claims, losses, and damage of any nature, including without limitation, all expenses (including attorneys' fees), costs, and judgments incident thereto, or incident to successfully establishing the right to indemnification, for (i) injury to or death of any person or persons, including, without limitation, officers, agents and employees of **Customer**, but not employees of **APS-US**, (ii) loss or damage to any property, including, without limitation, any aircraft or part thereof, (iii) loss of use, revenue or profit with respect to any aircraft, part thereof, or other thing, and (iv) any other direct, indirect, incidental, consequential, economic, or statutory damages, any of which arise out of or are in any way related to the delivery of Products or to the performance of Services, use by **Customer** of **APS-US's** technical instructions, the provision of any **APS-US** information or use thereof, or any other item provided under the Quote, whether or not arising in tort or occasioned in whole or in part by the negligence or other fault of **APS-US**, whether active, passive or imputed, but excluding willful misconduct. **Customer's** obligations under this indemnity will survive the expiration, termination, completion or cancellation of the Quote.

Customer expressly waives any immunity under any workers' compensation or industrial insurance, whether arising from any rule of law or source, to the extent of the indemnity set forth in this Section.

16. Force Majeure: **APS-US** shall not be liable to **Customer** for, and shall not be deemed to have breached these Terms in the event of, any failure or delay in performance when such failure or delay is caused by conditions beyond **APS-US's** reasonable control, including war, strike, labor dispute, fire, flood, earthquake, tornado, hurricane, sovereign economic difficulty, government action or intervention, embargo or blockade, explosion, terrorist threats or acts, civil unrest, shortage of raw materials, breakdown, shortage, power outage, or non-availability of transportation facilities or equipment, any other event or circumstance not within the reasonable control of **APS-US** (including but not limited to actions or omissions of **Customer**), or any other national or regional emergency or act of God. If **APS-US** declares a force majeure event as provided for hereunder, the applicable Quote shall continue in effect for a period of thirty (30) days from such declaration. After the expiration of such thirty (30) day period, **APS-US** may cancel any unperformed portion of the Quote upon written notice to **Customer** without liability to **Customer**.

17. Confidential Information; Duty Not to Disclose: Each party agrees that it shall not use or disclose, or permit the use or disclosure of, the other party's Confidential Information, except as required by these Terms. All use or disclosure of Confidential Information shall be for the sole and exclusive benefit of the party providing it. Either party shall obtain the other party's written consent prior to any publication, presentation, public announcement or press release concerning its relationship as a party to these Terms, and shall not disclose the terms of any Quote accepted by **APS-US** other than to such of its employees who have a need to know such information in the ordinary course of business or performance of the work covered by the Quote. The parties hereby acknowledge and agree that money damages are not a sufficient remedy for any breach of this Section 17 or Section 18 below, and that the aggrieved party shall in each instance be entitled to injunctive or other equitable relief to remedy any such breach or threat of breach by the breaching party, all without having to prove actual damages and/or to post bond or other form of security. Both parties hereby irrevocably and unconditionally submit to the exclusive jurisdiction and venue of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York for any action permitted or initiated under this Section 17 or Section 18 below.

18. Intellectual Property Rights: All Intellectual Property Rights of either party hereto, and all modifications thereto, shall at all times be and remain the sole and exclusive property of such party, and neither these Terms nor any Quote submitted by **Customer** hereunder shall constitute a license to either party to use or display the Intellectual Property Rights of the other party, except to the limited extent necessary in connection with its performance under any such Quote.

19.
