Membership Information

Welcome

Since 2020, our mission has been to redefine private football coaching by setting new standards of excellence while offering a comprehensive and supportive environment.

In 2025, we transitioned to a members-only model, ensuring each player receives the highest level of attention and care. Today, we proudly support over 270 weekly members across seven centres in the North West, UK.

Membership Types

Calculated Performance offers 3 distinct membership options across our centres, each designed with unique benefits to suit your needs.

Explore our membership tiers and find the one that best aligns with your goals.

Private Membership

Private Membership is designed for those seeking weekly 1:1 training sessions.

Private members work closely with our experienced coaches to develop a personalised Individual Development Plan (IDP), ensuring continued progression.

Each session is tailored to the player's specific needs, with regular feedback and ongoing updates to their IDP to track development effectively.

Membership Fees:

Service Fee	£25 / session
The amount paid at each session	

Membership Fee	£35 / month
This fee is collected monthly, automatically	

Group Membership

Group Membership is designed for players aged 8-14, looking to train weekly in smaller groups.

Members benefit from unlimited group sessions across all our centres, complementing their existing training.

Each session is capped at 6 players per hour, ensuring a high level of individual attention while working with others in an engaging atmosphere.
