Flip over to see what your answers may mean, and when to consider next steps.

If you answered 5 or more of the previous questions in **PURPLE**, we encourage you to explore a formal assessment.

Meet our Neuropsychologists

Dr. Rhiannon Law and Dr. Greg Stasi lead our Neuropsychology department and focus on understanding how young children learn and develop. Together, they guide early developmental testing and autism evaluations for families across Chicagoland.

Clear answers. Thoughtful guidance. No waiting.

When families want a clearer understanding of their child's development, a neuropsych evaluation can help guide next steps.

Our evaluation process:

- **Quick scheduling** – Appointments available within weeks
- **One visit** – Intake, assessment, and feedback on the same day
- **Multiple locations** – Naperville, Arlington Heights, Deerfield
- **Clear guidance** – Tailored results and recommendations
- **Insurance-friendly** – In network with many major plans

Ready to talk it through?

Our team is here to answer questions and help you take the next steps.
