If you answered 5 or more of the previous questions in PURPLE, we encourage you to explore a formal assessment.

North Shore Pediatric Therapy

Meet our Neuropsychologists

Dr. Rhiannon Law and Dr. Greg Stasi lead our Neuropsychology department and focus on understanding how young children learn and develop. Together, they guide early developmental testing and autism evaluations for families across Chicagoland.

Clear answers. Thoughtful guidance. No waiting.

When you're wondering whether it might be autism, our specialized clinic gives you a focused answer and a plan for what comes next.

Our evaluation process:

- **Quick scheduling** – Appointments available within weeks
- **One visit** – Intake, assessment, and feedback on the same day
- **Multiple locations** – Naperville, Arlington Heights, Deerfield
- **Clear guidance** – Tailored results and recommendations
- **Insurance-friendly** – BCBS, United Healthcare, TRICARE, and more

Ready to talk it through?

Our team is here to answer questions and help you take the next steps.
