North Shore Pediatric Therapy

Blossom Prep: Half-Day School Readiness Program

Ages 2–6 | 9 AM–1 PM
Part of Our ABA Program | Insurance Accepted

If school feels too soon, we offer a path that's just right for your autistic child. Because 'ready for school' isn't a one-size-fits-all.

Blossom Prep is part of North Shore Pediatric Therapy's ABA program. Your child gets personalized 1:1 clinical support, even during group learning, so they can feel confident, connected, and ready for school. It's billed to your insurance as ABA therapy, and we'll check your benefits before you start.

9:00 AM	Circle Time
9:30 AM	Sensory Activities
