Voice, Choice and Opportunity!

At Kippax Ash Tree we are passionate about developing children's powerful voices to enable them to make meaningful choices for a life of opportunity and success.

At the heart of our mission is a deep commitment to building a strong sense of belonging for every child. We believe that by working together with families and the wider community, we create an environment where all students feel valued, supported, and empowered to succeed.

100% Attendance counts

At Kippax Ash Tree we believe the key to success and progress is great school attendance. We know there is a direct link with future achievements and pupils having high attendance. This week's whole school attendance has been below national at 93%.

Message from the Headteacher

I have been really impressed with how all our pupils from Year 1-6 have returned this week. I am looking forward to this half term and the exciting learning opportunities it will bring. Please reach out if you need anything.

Have a happy and safe weekend,
Mr Cahill
