## Reception

### Forest school

This week in the forest it was all about bugs and insects!  
We went on a bug hunt  
We made our own insects using pine cones and string  
We made and printed different insects in the playdough  
As well as lots of exploring in the mud kitchen, on the swing, in the hammock and just enjoying being outside!

## Community

### Tickets on Arbor!

## Coming up ...

**Friday 28<sup>th</sup> Nov-** Training day. Teachers will be busy assessing data from the last round of pupil assessments. This will then inform their future planning and lessons.

### Thursday 11<sup>th</sup> December

Christmas Jumper Day & Church Service

**Our term dates for 26-27 can be found here**

## Assembly

This week, in assembly, we continued our 'Power of Good'. We looked at the power of kindness and 'random acts of kindness'. We used the following clip to support our learning-

## 100% Attendance counts

At Kippax Ash Tree we believe the key to success and progress is great school attendance. **Thank you families who have had 100%!** We know there is a direct link with future achievements and pupils having high attendance. **This week's whole school attendance has been similar to last week at 93%. Please remember a Friday is 1/5 of your child's learning week. We have seen a big decline in attendance today.**

## Message from the Headteacher

Thank you all for this week. I have seen some great reading and maths sessions this week! I have been really impressed with Year 6 and their biking skills during Bikeability week.

Please reach out to myself or your child's class teacher if you need any support.

Have a happy and safe weekend.

Mr Cahill
