Reception Forest school

It was a cold forest school this week but we had magic snow from the North Pole to play with & some very messy animals that had somehow got very muddy and needed a good clean.

Staffing Update

We welcome Mr Roycroft to the Ash Tree Team! Mr Roycroft is a Senior Deputy Headteacher for the Brigshaw Learning Partnership. Mr Roycroft will be working closely with our SEND and Attendance Team.

COMING UP IN JANUARY

Monday 12th January

Parent meetings from 2pm. You can still book these by calling school.

Assembly

This week, in assembly, we discussed our expectations and routines. We also looked at new year resolutions and what we are aiming for over the year ahead.

Support learning

Learning times tables supports many areas of maths. We would encourage 10 mins of daily practice at home, this could be on Time Tables Rock Stars or through other games.

100% ATTENDANCE COUNTS

At Kippax Ash Tree we believe the key to success and progress is great school attendance. **Thank you families who have had 100%!** We know there is a direct link with future achievements and pupils having high attendance. **This week's whole school attendance has been slightly better than the previous week at 95%.**

Message from the Headteacher

Happy New Year! Thank you all for this week. Our pupils have come back ready and eager to learn. I have seen some great reading and maths sessions this week.

Please reach out to myself or your child's class teacher if you need any support.

Have a happy and safe weekend.

Mr Cahill

[Our term dates for 26-27 can be found here](#)
