## Reception Forest school!

This week we were learning about birds and what they like to eat!

We had the chance to make them a bird feeder.

## Reading support

The Reader Teacher is a great place to get links to age appropriate books. He gives a list of 100 recommended reads for each year group. These are some of the best books out there that your child can choose to read. He also has something called #bookmatch. This is under the tab Recommendations, then #bookmatch. Say, for example, your child likes to read David Walliams books or Roald Dahl books, he has a list of other books that are in the same style of that author.

## COMING UP IN JANUARY

### Thursday 29<sup>th</sup> January

Maria Milner (Cluster Manager) will be in school on Thursday 29th January 8.30 - 9.30am. Feel free to drop in at any point during these times to gain valuable advice from Maria.

### Assembly

This week, in assembly, we continued to think about New Year's Resolutions and the term commitment. We used the following clip to support our understanding- <https://www.bbc.co.uk/teach/articles/z7thkhv#z2s4h4j>

### Supporting maths learning

Learning times tables supports many areas of maths. We would encourage 10 mins of daily practice at home, this could be on Time Tables Rock Stars or through other games.

## 100% ATTENDANCE COUNTS

At Kippax Ash Tree we believe the key to success and progress is great school attendance. **Thank you families who have had 100%!** We know there is a direct link with future achievements and pupils having high attendance. **This week's whole school attendance has been slightly lower than the previous week at 94%.**

## Message from the Headteacher

Thank you all for this week. It was great to see so many parents and carers on Monday during our parent/carer meetings.

Please reach out to myself or your child's class teacher if you need any support.

Have a happy and safe weekend.

Mr Cahill

[Our term dates for 26-27 can be found here](#)
