## Workshop

Year 5 and 6 classes

Year 5 and 6 really enjoyed working with the Leeds Older People's Forum on Monday.

## Reading support

The Reader Teacher is a great place to get links to age appropriate books. He gives a list of 100 recommended reads for each year group. These are some of the best books out there that your child can choose to read. He also has something called #bookmatch. This is under the tab Recommendations, then #bookmatch. Say, for example, your child likes to read David Walliams books or Roald Dahl books, he has a list of other books that are in the same style of that author.

## COMING UP NEXT WEEK

### Thursday 29<sup>th</sup> January

Maria Milner (Cluster Manager) will be in school on Thursday 29th January 8.30 - 9.30am. Feel free to drop in at any point during these times to gain valuable advice from Maria.

### Assembly

In assembly, we refreshed our knowledge of 'Not In Our School' and looked at protected characteristics. We focused on ageism and we are working with the Leeds Older People's Forum-

### Supporting maths learning

Maths Frame is a website online that has a number of fun games linked to all areas of maths. You can filter it to free games and choose by age and topic:
