Nursery Class

Our Nursery pupils have been using Numicon in maths this week

This week, all our children practiced what to do during a fire drill!

You should be so proud of them. Everyone left the building in a calm and sensible way, heading straight to our designated fire assembly point.

Well done to all our pupils!

Thank you for everything you do to help your children get to school every day.

We know that illness and medical events can happen, but we are thrilled to share that 80% of our pupils have not missed a single day so far!

Please keep in mind that attendance dropping below 97% can start to impact a child's learning and progress.

If you need any advice or support with your child's attendance, please feel free to reach out to us.

Key dates

Please remember to check Dojo and the 'pinned section' for key dates and information

100% ATTENDANCE COUNTS

At Kippax Ash Tree we believe the key to success and progress is great school attendance. **Thank you families who have had 100%!** We know there is a direct link with future achievements and pupils having high attendance. **This week's whole school attendance has been 96%. Please reach out if we can support.**
