

MIGUEL ALIAGA

(Mike)

“Achieve a design that can generate intrigue and questioning without losing its purpose”

Fullstack Designer

Born: May 21, 1997.

Current Location: Nuevo León, México.

Nationalities: Mexican, Spanish.

Languages: Spanish, English.

About me

Persistent who fights to accomplish previously established professional and personal objectives. Great social abilities to fit in any working team, always advocating for integrity and honesty. Analytic, that solves problems with practical solutions but putting close attention to details. Capable of dealing with negotiations due to entrepreneur spirit.
