THE MOST BEAUTIFUL VIEW OF BUDAPEST

EVENT VENUE WITH PANORAMIC VIEWS IN BUDA CASTLE

From the Library Room's enormous windows, the capital's iconic skyline comes into view: the Parliament Building, the Danube, the Chain Bridge, St. Stephen's Basilica, and the Fisherman's Bastion. This unparalleled view becomes an integral part of the event, providing an elegant backdrop for toasts and group photos.

During the day, the natural light streaming in highlights the texture of the wood paneling and herringbone parquet, and after dusk, the illuminated city provides an exclusive backdrop for dinner. It is the ideal choice for those looking for an event venue in Budapest where the panorama accompanies the evening from the first toast to the last cup of coffee.

THE VENUE

A GRAND BOURGEOIS SALON FOR PRIVATE OCCASIONS

There are venues that provide a setting for an event, and then there is Aranybástya, which also lends it character.

The 140-square-meter Library Room evokes the atmosphere of classic salons in Buda Castle. The finely crafted wood paneling, the fireplace, and the floor-to-ceiling bookshelves provide an exclusive setting for executive meetings, business lunches, and private dinners and receptions.

Furnished with glass chandeliers and leather sofas, this completely separate space has its own entrance and terrace, ensuring complete privacy. The impeccable cuisine and attentive service deliver hospitality of the highest standard.

ARRIVAL AND ADDITIONAL SPACE

SEPARATE ENTRANCE FROM HUNYADI JÁNOS STREET

The Library Room has a separate entrance from Hunyadi János Street, which is completely independent of the restaurant's daily traffic and ensures a discreet arrival. As a result, the exclusivity of the event and the undisturbed calm of the party are guaranteed from the very first moment.

ADJOINING PRIVATE ROOM

The space also includes a more intimate room directly connected to it, which complements the event in many ways. Whether it is used for small professional meetings, preparations, or as a dressing room, its function can always be tailored to the specific needs of the event.

For events with ten to twenty guests, business lunches, or family celebrations, a single long table creates the immediate experience of being together. For twenty guests, two round tables, which encourage more intimate conversations, or two separate long tables are also available.

The space can accommodate up to three round tables, while for the maximum seated capacity of 48 guests, two parallel long tables ensure comfort. Every detail of the look, from the table decoration to the menu cards, can be shaped to the unique identity of the event.

EVENT IDEAS IN THE LIBRARY ROOM

CORPORATE AND PRIVATE EVENTS IN THE LIBRARY ROOM

From the various options, we choose the most suitable one together, based on the number of guests, the program, and the desired atmosphere.

BUSINESS LUNCHES AND EXECUTIVE DINNERS

A business dinner for twenty, with a single long table and a plated menu, offers a harmony of elegance and informality. Surrounded by bookshelves, executive meetings and partner dinners take on a far more inspiring atmosphere than in a traditional meeting room.

CORPORATE EVENTS AND YEAR-END PARTIES

For corporate events or festive dinners, up to 48 guests can be seated at two parallel long tables in the unique setting of Buda Castle. The view through the huge windows, together with the private terrace for a refreshing break between courses, provides an unparalleled backdrop for celebrating together.

WEDDINGS AND FAMILY CELEBRATIONS

For smaller family events, two round tables of ten provide an intimate setting, while for larger wedding dinners two parallel long tables ensure the guests' comfort. Birthdays, anniversaries, and gatherings of friends all suit the salon perfectly, where personalized decoration and menu and place cards complete the picture.

STANDING RECEPTIONS IN A SALON SETTING

For informal business meetings and private events, the Library Room can host a standing reception for up to 60 guests. The combination of cocktail tables and comfortable leather sofa areas allows free movement, creating an ideal setting for finger-food catering and social networking.

HOSPITALITY

CULINARY EXPERIENCES AROUND THE TABLE

The form of catering can be fully adapted to the character of the event, whether a plated meal or a buffet. With served menus, the courses become an integral part of the conversation at the table.

With a buffet, the selection can be elegantly presented on the built-in shelving or beneath the windows, always ensuring unobstructed movement in the space.

The menu, the drinks selection, and special dietary requirements are always handled individually, in tune with the occasion, because the true experience of grand bourgeois hospitality comes from an impeccably laid table.

FILMING LOCATION

PHOTO AND FILM SHOOTS IN THE LIBRARY ROOM

The Library Room offers an exclusive location not only for events but also for professional photo shoots and film productions. The illuminated bookshelves, the finely crafted wood paneling, the fireplace, and the elegance of the glass chandeliers and leather sofas form a complete, ready-made set in their own right. The panorama of Budapest unfolding through the huge windows provides an unparalleled backdrop for film and music video shoots, advertising productions, or product photography.

ADVERTISING AND PRODUCT PHOTOGRAPHY

A separate entrance from Hunyadi János Street ensures the crew's convenient arrival, independent of the restaurant, while the adjoining, more intimate room is ideally suited as a dressing room. The rental terms and the date are always agreed as part of an individual offer, tailored to the specific needs of the production.
