

# LIFE GROUP – WEEK SIX

## Jesus is Faithful

Hebrews 3:1-6

*This Winter, we are experiencing God's presence together by encountering Jesus in the Book of Hebrews. This week, we were challenged to do something which sounds simple, but which many people don't take time to do: consider Jesus, who is faithful. What happens when we slow down to consider the faithfulness of Jesus? We come to remember the reality of who he is, and that he is able to help those who are tempted.*

---

## GETTING STARTED

We start each week by intentionally being present to one another. If you need a little help getting the conversation going, consider starting with these questions...

### *Ice Breaker*

If you could be in charge of anything, what would it be?

### *Going Deeper*

How did your family members describe you when you were a child? Is that still how you are?  
How have you changed?

## DISCUSSION GUIDE

Our discipleship to Jesus is meant to be a holistic way of living, involving our whole selves - **head, heart, and hands**. While each person will likely gravitate to one of these over the others, it's important we all consider how God's love affects our minds, our hearts, and our actions.

REMINDER: These guides are meant to facilitate PRESENCE - to God and one another - not to check boxes. Feel free to let conversation naturally flow to whichever questions connect with you personally. As the Spirit leads you, feel free to set aside this guide to pause, praise, and pray together.

## HEAD

Read 1 Peter 2:1-10. In what ways is Jesus continuing to build his church? What is the purpose for which he is building us?

What's the first thing that comes to mind when someone tells you to "consider Jesus, who was faithful?"

What other attributes of Jesus are worth considering carefully? (As you name these, consider pausing to prayerfully consider those things together, both in the Scriptures and in your own life!)

## HEART

When do you find it hardest to consider Jesus? Are there certain circumstances, distractions, or feelings that make it feel harder?

What are the personal implications for you when you don't consider Jesus - are you tempted toward apathy, anxiety, or something else? (i.e. anger, finding your value in achievements, laziness, discouragement, pleasure-seeking...)

Of all the attributes of Jesus that the author of Hebrews could have highlighted, why do you think he focuses on faithfulness?

## HANDS

Is there a specific time you can think of where pausing to consider Jesus directly impacted how you felt or responded in a situation?

What would need to happen for considering Jesus (slowly, consistently, deeply) to become a regular part of your day? (Think - where could I slow down, remove distractions, or focus intentionally on Jesus' faithfulness to me?)

## PRACTICE OF PRESENCE

End your time by considering Jesus together.

Where have you seen Jesus' faithfulness in building you, your family, our church community? How has Jesus been faithful to convict, comfort, transform, redeem, and grow you?

Where have you seen Jesus's faithfulness over you to bring blessing? How has he been faithful to

Are there any landmark moments in your life that you go back to when you need to consider Jesus and his faithfulness?
