Experience

Allegion | May 2025-August 2025

Industrial Design Intern

Developed new products and line extensions that improved functionality and aesthetics through sketching and modeling in Creo. Collaborated with research, engineering, and sales to deliver innovative design solutions. Conducted user research and market analysis to align concepts with customer needs and trends. Refined designs through prototyping, testing, and iterative feedback.

Shorr Packaging | September 2024-December 2024

Design Intern

Worked in ArtiosCAD to create and revise corrugated packaging products for customers. Cut samples for form, fit, and function testing. Tested sampling materials and incoming products for clients. Participated in packaging design and theory discussions.

Zumbiel Packaging | January 2024-April 2024

Structural Design Co-op

Operated on the Structural Design team to develop paper-board packaging with a focus on sustainability and board efficiency. Collaborated with sales and manufacturing departments to ideate and optimize design in ArtiosCAD. Operated Kongsberg to produce samples, as well as various manufacturing dies.

Kao Innovation Competition | November 2023

2nd Place, Fan Favorite Award

Participated in a week long design spirit to determine new potential markets for Kao brands. Specifically focused on designing, prototyping, and rendering travel size Bio-oil products to become travel amenities on airplanes and cruises to improve consumer exposure. Fan favorite award determined by participants in the challenge through voting.

Education

University of Cincinnati

Bachelors of Science, Industrial Design
Minor in Marketing
Class of 2027

Milford High School

4.54 GPA
High Honors
Class of 2022

Awards and Scholarships

Cincinnatus Academic Scholar (Fall 2022-Present)
Dean's List (Fall 2022-Present)

Activities

Mentors and Muses
IDSA Member
H2O Leadership
H2O Worship Team
"Formed" Bible Study Founder
UC Knits
Colorguard Coach (June 2022-March 2024)

Interests

Baking
Traveling
Playing instruments

Skills

Digital

Adobe Creative Cloud
(Photoshop, InDesign, Illustrator, Acrobat, Premiere Pro)
Microsoft Office
(Word, Powerpoint, Excel)
Fusion 360
Creo
Blender
