Good Afternoon,

We've had A LOT of rain lately, causing lack of work for many Superior drivers.

As a reminder, if your wages are significantly reduced due to lack of work in a given week, you may be eligible for **Partial Unemployment through EDD**. To determine eligibility, a **Notice of Reduced Earnings** will be mailed to your home from Superior along with further instructions.

Attached to this email are Frequently Asked Questions regarding Partial Unemployment.

Please review the FAQs, and feel free to reach out to HR or respond to this email if you have any questions.

Thank you!
