

HOW OUR BRUNCH WORKS

ORDERING DRINKS

- Brunch is table service only.
- Choose from sharing cocktail jugs or bottles of prosecco, spirit & mixers & selected individual drinks.
- Sharing jugs and bottles are limited to 1 per 2-3 people, per order.
- Guests having individual drinks or the non-alcoholic brunch will reduce the number of sharing jugs or bottles available to the table.

FINAL DRINKS

- Final drink requests will be taken 10 minutes before your brunch ends.
- Final drinks are only available when all glasses, jugs and bottles on the table are empty.
- Final drinks are limited to 1 single drink per person.
- Sharing jugs and bottles are not available as final drinks.
- If there is enough drink remaining on the table for another serving, a final drink will not be offered.
- Management reserves the right to refuse final drink requests where these conditions are not met.

Our aim is to keep drinks flowing throughout your brunch while avoiding unnecessary wastage and ensuring a fair experience for all guests.
