

HOST A GIVING TREE

HOSTING A PHYSICAL GIVING TREE

Set up a Christmas tree at your school, workplace or club and invite your community to donate new, unwrapped gifts.

Please ensure your gifts are either delivered to the Kindness Collective (details follow) or dropped off at your local participating Mitre 10 by Sunday 14th December so we can make sure Santa delivers them by Christmas!

We'd love you to pair your physical tree with a virtual one! Some people prefer to donate financially or may forget to bring a gift. We recommend printing a poster or QR code near your tree so people can donate online.

HOSTING A VIRTUAL GIVING TREE

This is a great option for organisations that don't have space for a physical tree, or as an easy way to collect online donations alongside your physical tree!

Share the link with your community as every donation helps us purchase brand-new toys from our partners; The Warehouse, Mattel and Hasbro at discounted prices, allowing us to stretch each dollar further.

Set up a Virtual Giving Tree by creating a fundraising page for your organisation at kindness.org.nz

MORE INFORMATION

SANTA'S WISHLIST

We're looking for new toys, books, board games and sports gear for children aged 1 to 16.

Please choose quality over quantity. Many of the children receiving these gifts have never had something brand new, or just for themselves before. Every child deserves the joy of something special at Christmas.
