

HOST A TOY COLLECTION OR FUNDRAISER

HOSTING A TOY COLLECTION

Set up a Christmas tree at your school, workplace or club and invite your community to donate new, unwrapped gifts.

Please ensure your gifts are either delivered or dropped off at your local participating Mitre 10 by Sunday 13th December so we can make sure Santa delivers them by Christmas!

Set up a fundraiser by creating a virtual one! Some people prefer to donate financially or may forget to bring a gift. We recommend printing a poster near your tree so people can donate online.

Ready to set up a Toy Collection?
Visit kindness.org.nz to register your collection! Or [CLICK here](#).

HOSTING A FUNDRAISER

This is a great option for organisations that don't have space for a physical tree, or as an easy way to collect online donations alongside your physical tree!

Share a link with your community as every donation helps us purchase brand-new toys from our partners; The Warehouse, Mattel and Hasbro at discounted prices, allowing us to stretch each dollar further.

Set up a fundraiser by creating a fundraising page for your organisation at kindness.org.nz. Or [CLICK here](#)

MORE INFORMATION

SANTA'S WISHLIST

We're looking for new toys, books, board games and sports gear for children aged 1 to 16.

Please choose quality over quantity. Many of the children receiving these gifts have never had something brand new, or just for themselves before. Every child deserves the joy of something special at Christmas.

Need inspiration? Take a look at our [Christmas Wish List](#).

WAYS TO DELIVER

At the end of your toy collection, there's a few options to get the toys and gifts to us depending on how many you've collected and where you are located.

In Auckland:

Drop toys or courier to the Christmas Joy Store at Unit H, 33 Walmsley Road, Ōtāhuhu. We're open between 10am - 2pm, Monday to Saturday.

If your collection is under 30 gifts you are also welcome to drop them off at your local Mitre 10 in our toy collection bins before Sunday 13th December.

Outside of Auckland:

Under 30 gifts? Drop them off at your local, participating Mitre 10 store's toy collection bins.

If you have more than 30 gifts please request a pickup from one of our Regional Coordinators or Community Partners. Email christmas@kindness.org.nz to organise.

Our Regional Coordinators and trusted Community Partners will ensure all toys collected are delivered to families in your local area.

QUESTIONS? NEED HELP?

We've got you covered with fundraising ideas and tips to get you started. Once you register, we'll send you a full resource pack including posters and social media tiles.
