

Marketing Resource Management:

Next-Level Planning and Collaboration in Marketing

Say goodbye to countless decentralized documents and endless versions in Excel, Teams, and emails. With modern Marketing Resource Management (MRM), you finally bring all your campaign and budget planning to one central place – transparent, structured, and always up to date.

- For clear processes, smart decisions, and efficient planning
- With Marmind as your MRM solution and b.telligent as your experienced consulting and implementation partner

All the Benefits of Marketing Resource Management at a Glance:

- ✓ **Always informed:** A transparent overview of campaign, task, and budget status at any time – with flexible views for every team.
- ✓ **Efficient collaboration:** Less coordination and less time required – thanks to centralized marketing assets, workflows, and reusable checklists.
- ✓ **Faster campaign processes:** Templates, automatic versioning, and consistent information ensure smooth, repeatable workflows.
- ✓ **Tangible cost benefits:** Reduced process costs – in the medium and long term.
