

User Manual for the Remote Holder for Manuowell Assassin

Model:

Remote Holder for Manuowell Assassin

Manufacturer:

Exesor 3D Design

Scope of Delivery:

- 1x Remote Holder for Manuowell Assassin
- 1x Adapter
- 1x Thumb Screw
- 1x GoPro Quick Release Mount
- 1x Adapter Plate with Adhesive Pad

Features:

The Remote Holder has been designed to provide practical and secure storage for the remote control of your Manuowell Assassin bait boat.

- **Precision Fit:** Optimized for compatible remote controls
- **Easy Handling:** Secure attachment and easy removal of the remote
- **Durable Design:** Made from XPETG for high strength and long service life
- **Weather-Resistant:** High chemical and thermal resistance, ideal for outdoor use

Preparation and Installation:**1. Preparation:**

- Turn off the bait boat and disconnect it from the power supply to prevent accidental activation during installation
- Ensure the mounting area on the bait boat is clean and free from dirt or debris

2. Installation:**Attaching the Remote Holder:**

1. **Select Position:**
Choose a suitable location on the bait boat to attach the Remote Holder. Make sure the surface is clean, dry, and free of grease.
2. **Attach Adapter Plate:**
Apply the included adhesive pad to the back of the adapter plate. Stick the adapter plate to the selected area on the bait boat and press firmly for about 15 seconds to ensure a secure bond.
3. **Attach Quick Release:**
Secure the provided GoPro quick release mount to the Remote Holder using the M5 thumb screw. Tighten the screw by hand.
4. **Mount the Quick Release:**
Slide the quick release, along with the attached Remote Holder, into the adapter plate until it audibly clicks into place.
5. **Align and Insert Remote:**
Adjust the Remote Holder for optimal access to the remote. Carefully insert the remote into the holder and ensure it sits securely and stably.

Safety Instructions:

1. Make sure the Remote Holder is properly installed before operating the bait boat
2. Only use remote controls designed for the Manuowell Assassin bait boat
3. Avoid impacts or excessive force that may damage the mount or holder
4. Keep the Remote Holder out of reach of children to prevent injury

Technical Specifications:**Component Details**

Material	XPETG
Weight	Approx. 75 g
Compatibility	Manuowell Assassin
Resistance	High thermal and chemical resistance

Disclaimer:

The manufacturer accepts no liability for any damage resulting from improper use, incorrect installation, or modifications to the Remote Holder.
Please read and follow the instructions carefully to ensure safe and reliable operation.
