BTEC Sport	
Online homework platform:	Educake
How to log in:	1. Go onto the Educake website OR download the app 2. Students will be given a login in their planner OR students can also click the 'log in with Google' button and log in using their school email + password
How to complete homework task:	1. Once logged in, all the quizzes to complete will appear in the orange box at the top of the screen. 2. Click on the quiz you would like to complete and answer the questions as they appear on the screen. All KS4 quizzes will take approximately 45 minutes to 1 hour. 3. Once complete you can check your progress and scores in the green box on the homepage. You need to get 80% or above to complete the homework. 4. If you need to redo a quiz to improve your score then click on it again in the green box. 5. On the deadline day (the first lesson of the week) your teacher will check your highest score. Occasionally there will be paper based homework, this will be printed for the students and available on Arbor. Please see the class teacher if you require another copy. This will be more frequent as the students approach the exam periods due to the homework being exam questions and revision tasks.

Geography	
Online homework platform:	NA - Given paper instructions and uploaded to Arbor
How to log in:	NA
How to complete homework task:	Students will receive a double-sided worksheet. They should complete the questions on the blank side independently. Once finished, they should turn the worksheet over, use the completed side to review their work, and make any corrections or additions using a green pen.
Links to other useful guidance:	NA

INTEGRITY
We do the right thing, well.

RESILIENCE
We give 100% effort.

RESPECT
We respect ourselves and others.

EQUALITY
We are one team with one goal.

Health and Social Care	
Online homework platform:	Google Classroom
How to log in:	Brigshaw Trust Google Account
How to complete homework task:	Homework in Health and Social Care will typically be one of the following: Retrieval Homework Sheets Students will complete a homework sheet containing: • Retrieval questions based on current and previous learning. • Key terminology and knowledge recall activities. • One extended-mark question to help students apply their knowledge to a case study or scenario. Students should use their class notes, knowledge organisers, and lesson resources to support their answers where appropriate. Coursework Preparation Tasks At various points throughout the academic year, students may be required to complete planning and research activities at home to support their coursework. These tasks may include: • Completing planning sheets. • Researching health and social care topics. • Gathering evidence and examples. • Preparing ideas for assessed coursework tasks. Students should ensure all coursework preparation is completed by the stated deadline, as this will support their progress during lessons.
Links to other useful guidance:	Google Classroom All lesson resources, homework tasks, knowledge organisers, and supporting materials are available on Google Classroom. Students should regularly check Google Classroom and use the resources provided when completing homework.

INTEGRITY
We do the right thing, well.

RESILIENCE
We give 100% effort.

RESPECT
We respect ourselves and others.

EQUALITY
We are one team with one goal.

If students are unsure about a homework task, they should review the resources available on Google Classroom and speak to their teacher before the deadline.

Homework Guidance and Deadlines

All homework tasks, instructions and deadlines will be available on Arbor. Parents/carers are encouraged to regularly check Arbor to monitor homework set, upcoming deadlines and any important messages relating to students' learning. Students should ensure they check Arbor regularly and begin homework early to allow sufficient time to complete tasks to a high standard.

History

Online homework platform:

Carousel Learning

How to log in:

For each homework task, a new link will be created to take students directly to the homework task. The link will be shared in the Homework Assignment on Arbor. The student then signs in using their name written in the same way it is recorded on Arbor.

How to complete homework task:

1. Click the 'revise' button and practise the key knowledge of the homework task using electronic flashcards.
2. When flashcard revision is complete, click 'exit'.
3. Click 'Take Quiz' and complete the questions from memory without the help of textbooks, exercise books or the internet.
4. When you have completed the quiz, honestly self-mark your answers.
5. When you reach the end of self-marking, click '**submit**'.

Maths	
Online homework platform:	Sparx Maths
How to log in:	1. Go to Sparx Maths and select 'Log in' from the top corner. 2. Start typing the name of your school and select it from the list. 3. Select 'Log in to Sparx using Google' and input your normal school email and password.
How to complete homework task:	1. Get a pen and paper ready before beginning. 2. Always write the bookwork code (from near the top of the page) before starting a new question. 3. Use the pen and paper for any working you may need to do. 4. If you get stuck on a question, click the 'Video Tutorial' option for help. 5. Sparx will occasionally ask students to prove they are completing the work by asking for a previous bookwork code. 6. Students are expected to get 100% on the Compulsory section of the homework as Sparx automatically adjusts to their level. If this is not possible, students should talk to their teacher prior to the hand in date.
