

ARTAK
PRESENTATION

META BRANDED
RENDER REAL ESTATE
PROJECT

INTRODUCTION TO BRANDED VILLAS

- **Innovative Real Estate Approach**

- Merging luxury living with strong brand identity
- Enhancing property value and lifestyle experience

- **The market appeal**

- Target international buyers
- Requiring an innovative marketing and sales approach to match this concept

ARTATAK SOLUTION

*Bringing Your Vision to Life with Impressive
immersive & interactive 3D Renderings*

In USA over 70% of real estate agents and
developers plan to use 3D renderings by 2025*

*(source: National Association of Realtors)

KEY FEATURES

INTERIOR & EXTERIOR 3D RENDERING

- Enhance presentations with high-resolution renderings
- Ideal for showcasing residential and commercial interiors

3D ARCHITECTURAL ANIMATION

- Immersive walkthroughs and fly throughs
- Short cinematic videos for better project immersion

3D VIRTUAL TOURS

- Interactive 360-degree virtual reality tours
- Deep immersive experience with VR headsets

3D Virtual Staging

- Cost-effective alternative to physical staging
- Helps buyers visualize themselves in the property

3D PRODUCT RENDERING

- Realistic images of products from 3D models
- Ideal for marketing, advertising, and product visualization

INTERACTIVE AVATARS FOR REALISTIC SALES

- Avatars guide clients through virtual property tours
- Real-time interaction for a personalized and engaging experience
