Are You Going to interpack 2029?

PMMI is planning to organize a PMMI Member Pavilion at interpack 2029. To help us determine the appropriate amount of space to reserve, please let us know if your company is interested in exhibiting within the PMMI Member Pavilion and approximately how many square meters you would require.

If your company plans to exhibit independently outside the PMMI Member Pavilion, no response is needed.

This survey is for planning purposes only and does not represent a commitment to exhibit. PMMI is simply gauging member interest at this stage. Additional information and participation details will be provided when interpack 2029 officially opens space sales.
