

Week of Sept. 8, 2026

Last Chance to Register for this Sales Workshop

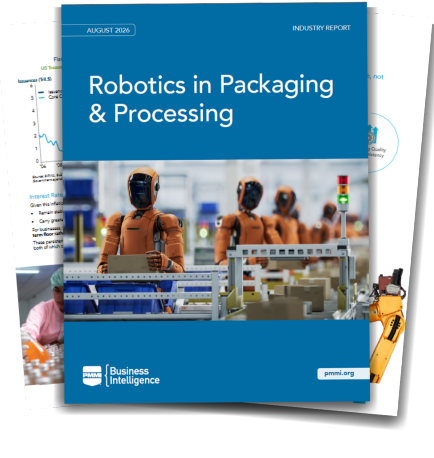

The **Packaging & Processing Equipment Selling in Today's Market** workshop on **Sept. 17–18 in Montreal** — following the PMMI Annual Meeting — is just ONE WEEK away.

Customized for the packaging and processing industry, this workshop reshapes how sales professionals approach the selling process. Ask the right questions, navigate technical discussions, and position your solutions as the obvious choice.

NEW THIS WEEK

2026 Robotics in Packaging & Processing

PMMI's *2026 Robotics in Packaging & Processing* report explores where adoption is growing, what's driving investment, and the challenges companies face. Discover what respondents value most, where investment is headed, and how challenges like cost, integration, training, and support are shaping robotics adoption. Use the findings to better prepare your business for what's ahead.
