

Going Deeper

Stevie hears the Sandman's voice calling to her, saying "Come and find me...."(17m). In Jeremiah chapter 29, verses 11 - 13, we see God calls us to search for him and know of the great plans he has for us. What do these verses say to you about following God's dreams for your life and not your own? How will you search for God with all your heart?

The Sandman explains to the children that dreams "...show you how perfect the world could be, how perfect it should be." Read Acts, chapter 2, verse 17. How do you know the difference between a 'you' dream and a 'God' dream? Have you ever had a prophetic dream?

Nightmara asks Elliot what is his constant in life (1h9m). The Bible shows us how God is our constant in all things. Read Malachi, chapter 3, verse 6; Isaiah, chapter 40, verse 8 and Psalm chapter 34, verse 18. What other Bible verses come to mind that speak of God being your constant?

The BIG Question

Wondering

"They say dreams are like the minds way of trying to fix your problems in the real world...." (Stevie, 2m)

Are our dreams helping us to understand what's happening in our lives? Some people think there are symbols in dreams that help us to understand them, for example, dreaming of your house may represent how you feel in your life right now. With an adult, you could explore what these symbols mean. bit.ly/FFNDreams can give you some ideas.

"Nightmares make us strong so we can face what's really scary in life...." (Nightmara, 1h8m). Have you ever had a nightmare? What do you think it helped you to be strong about? Who do you go to when you have had a nightmare? What else helps you?

Dreamland

Have a go at the Create Your Own Dreamland activity. Talk about what happens there. What are the people like? Do you have adventures? Is there anyone that you would like to be there with you? What makes it so special for you?
