McDougall's Message

Thank You for Supporting Our Employee Gift Fund

We would like to extend our heartfelt thanks to all our residents who so generously contributed to the Employee Gift Fund at Spring Harbor. Your kindness and thoughtfulness mean more to our team than words can fully express. The Employee Gift Fund plays an important role in recognizing the dedication, compassion, and hard work of the staff members who serve our community every day. Your contributions help us show appreciation in meaningful ways, reinforcing how valued our employees truly are.

This support has a real and lasting impact. Feeling appreciated increases employee satisfaction and morale, which in turn helps us retain experienced, caring team members. It also strengthens our ability to recruit new staff who are eager to be part of a community known for its gratitude, respect, and strong sense of connection.

Because of you, Spring Harbor continues to be a place where residents and employees alike feel supported and valued. Thank you for helping us foster a positive environment that benefits everyone who calls this community home. *Please turn to page 7 to see all the happy employees!*

Monthly news from your Resident Council

Happy New Year!

It is hard to believe that another year has ended, and yet, here we are welcoming 2026. We've had countless enjoyable experiences this year. The 20th Anniversary Celebration has to be one of the highlights of the year. As we ring in the new year, I would like to introduce you to the incoming Resident Council, a dedicated group committed to enhancing your living experiences at Spring Harbor.

We updated the name of Activities Forum to Resident Connections to more fully reflect the many connection opportunities for our residents. I am excited to also announce we added an IT position to the Resident Connections Forum. We appreciate Jim Hutchenson volunteering to serve as a resident resource in the future when the new Community App is implemented and also work with residents on how to use their devices-smart phones and iPads/tablet. (If you have cable or internet problems please continue to call your service provider.) Guidelines and protocols will be published next month.

Remembering Jim as Jim Remembers Spring Harbor

The estate of James E. (Jim) Gates has gifted \$25,000 to the Spring Harbor Foundation Legacy Society. Jim loved Spring Harbor and everyone loved Jim. He did so much for our community and will be long remembered. His legacy lives on through his generosity. The Legacy Society is comprised of residents who have expressed intent to include the SH Foundation in their estate planning. Jim's gift is being recognized as the first to be made to the program.

New Resident Spotlight

David & Susan Knopf Apartment # 246

David & Susan lived right here in Columbus and they decided to move into Spring Harbor earlier this year. They both are Army brats and came to Columbus when they were children. David has an independent CPA practice and Susan is retired from the federal civil service as a management analyst. They have 2 sons, one lives here in Columbus and is the Chief of Student Services at Muscogee County School District. Their other son lives in Seattle and works for Microsoft. They have an 11 year old mixed-Golden/Chow fur baby named "Charlie" and he goes to work with David every day! They both enjoy reading and socializing with friends and family. They have 4 grandsons in Columbus that they are able to enjoy. They also love traveling and have taken a number of river and ocean cruises with Viking and Holland America. We made it to Hawaii last year and are going back this month! We spent time in Germany as children and always enjoy visiting Europe. David is currently scaling his work back and this will allow them more time to travel.

Everyone please welcome David & Susan Knopf

The employees created a **HUGE THANK YOU BANNER for the residents who contributed!** Please take time to stop by and read it! It is hanging on the wall, on the 3rd floor next to the Life Enrichment Team offices!

You all made a difference in their lives with your thoughtfulness and donations!

The employees all have big smiles and say a HUGE THANK YOU to the residents!

Employees Receive A Special Gift

Our Leadership Team, Human Resources and Executive Director, Shane McDougall, presented each staff member with a beautifully monogrammed Land's End rain jacket as a small token of appreciation for their hard work, dedication and compassion they have shown throughout the year.

Friends, Family, Feathered and Furry Things

Friends had a wonderful evening by the warm fire out in the Blue Heron courtyard. L-R: Becky Rumer, Sharon & Ed Sprouse, Bill Rumer. Warm fireplace. Same folks as the first photo, plus Anne Wilson and Sharon Adams. Richard Wilson was also there but all you can see in the photo is his one foot, because he was taking the photo! LOL!

Next photo is some of our newest residents gathered in the private dining room for a special welcome luncheon. L-R are: Rosemary Addison, Judi Ebert, Shane McDougall, Sandee Scruggs, Greg & Joan Camp, Ann Bingham, Carol & Jimmy Ashmore.

The next adorable photo is Sally Cottingham with some of her precious family and her cute granddaughter wearing that fun Christmas tree hat! The last photo (R.) is an amazing photo that Pat Haney's aunt took on her farm in Andalusia, AL. She could not resist sharing such a spectacular photo of this owl in a cedar tree!

We appreciate Pet Partners of Columbus, for bringing their therapy dogs to brighten the lives of our Healthcare residents!
