ABOUT

Each piece in the Mosaic Collection is made from genuine selenite crystal set in a matrix of beautiful polished metal. Jewel like translucency and ever shifting patterns characterize selenite and every crystal is masterfully cut, fit and polished by hand. The Mosaic Sideboard in selenite and nickel is created with precision and art in in our Southern California studio and will be a stunning addition to your home.

FINISHES

Available finishes: All level 1, 2, and 3 finishes
