PROMETHEUS III

SURFACE FINISH OPTIONS

CODE	FINISH	DETAILS
AB	Aged Brass	Hand textured and treated finishes, variations in surface are prized. Evidence of maker's marks are desirable and evidence of the handmade. Surface is treated with a wax or lacquer to seal the surface from further age if desired. Ages gracefully with time.
DB	Dark Bronze	
HB	Hand Rubbed Brass	
MP	Mottled Patina	
CL	Copper Leaf	Leaf is covered in shellac and textured finish is desirable. This surface will maintain its finish for many years to come.
GL	Gold Leaf	
SL	Silver Leaf	
PB	Polished Brass	Surface is mirror polished then lacquered or powdercoated in a clear finish to maintain the finish. Very long lasting.
PS	Polished Steel	
BS	Brushed Steel	

EXAMPLE ORDERING CODE:
