MERAKI | COFFEE TABLE

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY HESSENTIA

DESCRIPTION

Meraki collection of coffee table is an exceptional expression of style and refinement. The two generous in fiberglass legs join the amorphous marble top creating a distinctive design. Meraki coffee tables are available in three different combinations of fibreglass and marble (ivory fiberglass with Matt Calacatta Oro marble, Amazonian fiberglass with Textured Amazonian quartzite, Blackboard fiberglass with Textured Noir Grand Antique marble) to create an elegant monochrome effect. Several sizes and heights are available, ensuring a perfect solution for every ambiance. The fiberglass finish, obtained through a refined artistic handmade technique, adds personality to each coffee table, making it one-of-a-kind and unrepeatable.
