SPINNAKER | DINING TABLE

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY HESSENTIA

DESCRIPTION

The shapes of dining table Spinnaker take inspiration from elegance and lightness of the sails of the boats that are unfurled to the wind during the sailing. The marble top is available in one unique piece or it can be cut into three curved parts following the structural base with two arches that recall the typical geometry of architecture of the Thirties. The melted brass parts of the base are realized by casting liquid metal into a mold made of special sand.

SPECIFICATIONS

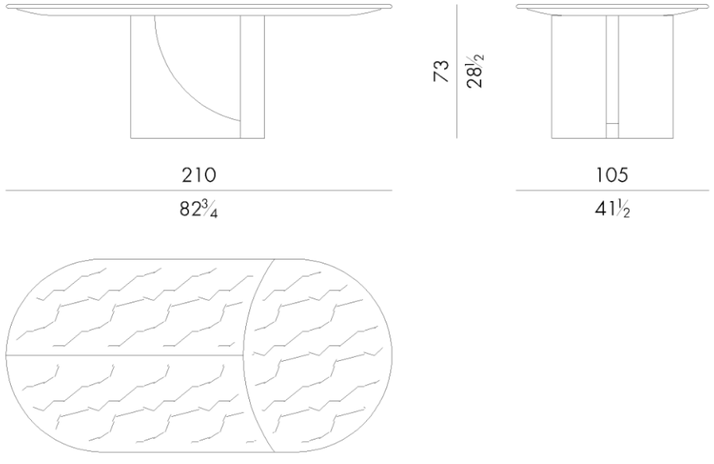

Materials: Marble, Artistic metal

Design: Luca Erba - 2021

Dimensions:

210 W x 105 D x 73 H cm (SPINNAKER.8210/B)
210 W x 105 D x 73 H cm (SPINNAKER.8210/U)

SPINNAKER.8210/B

Marble top divided into pieces
obtained by the same slab

SPINNAKER.8210/U
