RAPHI | DINING CHAIR

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY HESSENTIA

DESCRIPTION

The Raphi armchair, characterised by clean and refined lines, is a stylish addition to any dining area. Its padded seat and backrest, covered with fabric or leather, offer enveloping comfort. The four legs in solid Canaletto walnut, crafted with skill, are connected to each other by a cross motif that gives an elegant visual lightness, making the seat seem suspended in mid-air.
