TITA | DINING CHAIR

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY HESSENTIA

DESCRIPTION

Tita is characterized by essential circular shapes and it’s available in different versions. Tita is a chair with a refined look able to get the attention of people thanks also to its enveloping shape. The characteristic of this product is that the padded seat is supported by three legs with beveled corners, one of which is higher than the others becoming the support for the curved backrest. Tita is available in ash wood or lacquered with one of the colors of the HESSENTIA finish collection.
