

The Uovo Side Table by Sylvan S.F. is a classic side table fit for any luxury interior. The oval table top is finished in a dazzling fractal resin medium. Light bounces off the interior facets illuminating the exquisite quality of the piece. The sculptural base is cast and clad in polished brass. A protective crystal coating is applied to the base to prevent fingerprints and tarnishing. Pit holes are natural in the metal base due to casting process. Various resin colors available upon request.
