MATERA | COFFEE TABLE

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

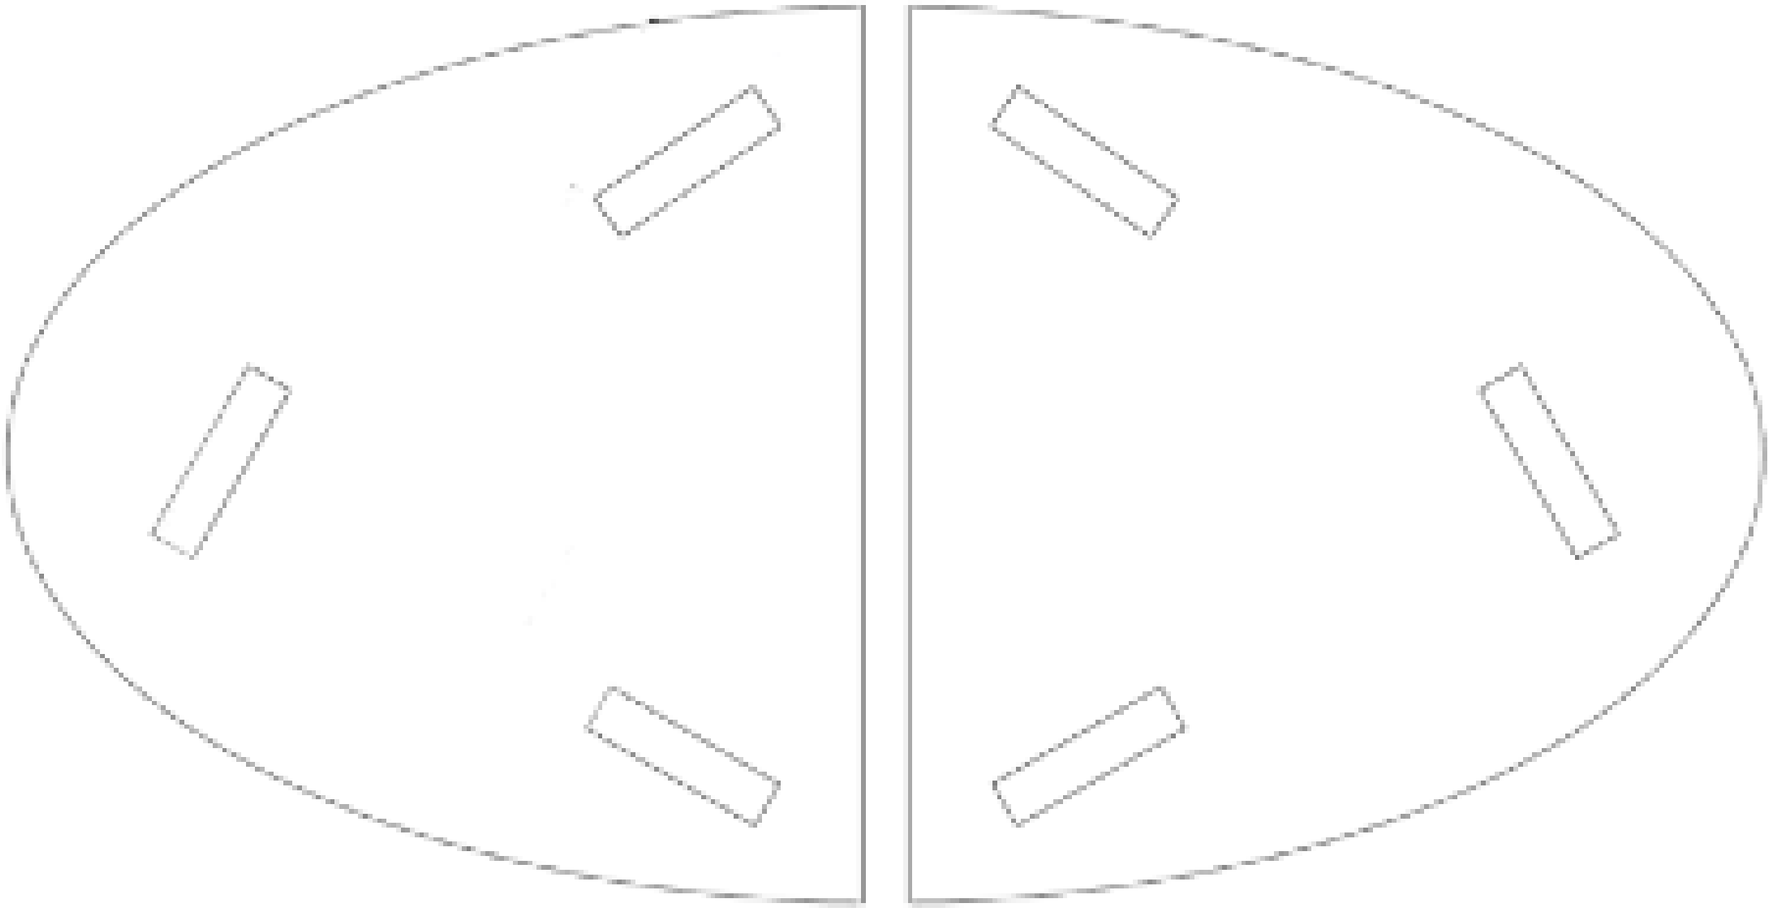

Meet the Matera Coffee Table, a refined fusion of natural elegance and modern design. Hand-finished in eight curated shades of Italian Travertine, Matera highlights the unique textures and tonal variations of this iconic stone. The two-piece top provides both visual interest and functional adaptability, allowing you to shape your space with intention. Solid, sculptural, and unmistakably timeless, Matera is a centerpiece made to be lived with and admired.
