CARLYLE COLLECTIVE

BY THREE ONE FOUR STUDIO

SPECIFICATIONS

A traditional Louis VI desk forms the basis of this design, with legs that were then brought back by Emile-Jacques Ruhlmann in the 1920s. These legs are tapered brass hexagons that are then cast in resin, faceting from 6 sides to 12 to create a diamond-like refraction. The pull out slide is in an Aegean blue vellum, with liquid glass.

Dimensions:
L 66.9 in x W 31.5 in x H 29.9 in

L 170 cm x W 80 cm x H 76 cm

Materials:
Dark stained Santos rosewood with a satin finish
Brushed brass
Clear resin
Aegean blue vellum

Made to order. Size and materiality fully customisable.
