HOPE | DINING CHAIR

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY THREE ONE FOUR STUDIO

SPECIFICATIONS

Thomas Hope travelled around the world searching for beautiful things, and was a huge part of bringing stunning interior design to England in the early 19th century. One of the pieces was the Klismos chair, perfected by the Greeks. This chair is an homage to that piece. Made in carbon fibre to give strength to its delicate form, the back is cast in bronze and affixed.

Dimensions:
L 25.6 in x W 21.7 in x H 27.6 in

L 65 cm x W 55 cm x H 70 cm

Materials:
Carbon fibre
