CARLYLE COLLECTIVE

BY MORFOSI

The Eclipse collection explores the balance between sculptural form and functional design, uniting a minimalist design with a timeless aesthetic. Crafted in solid marble with clean lines and softened geometry, each piece highlights the natural veining and depth of the stone. The coffee and side tables are crafted in solid marble with pure geometric volumes and softened edges that emphasise both solidity and refinement, equally striking as stand-alone pieces or as a set.

All pieces are handmade in Italy. Type of marble and sizes can be customised on request.
