CARLYLE COLLECTIVE

BY MORFOSI

The Eclipse collection explores the balance between sculptural form and functional design, uniting a minimalist design with a timeless aesthetic. Crafted in solid marble with clean lines and softened geometry, each piece highlights the natural veining and depth of the stone. This dining table features two bold central marble legs that support an elongated oval top, emphasising both stability and elegance, while the central base design allows for generous seating.

All pieces are handmade in Italy. Type of marble and sizes can be customised on request.
