CARLYLE COLLECTIVE

BY MORFOSI

The Eclipse collection explores the balance between sculptural form and functional design, uniting a minimalist design with a timeless aesthetic. Crafted in solid marble with clean lines and softened geometry, each piece highlights the natural veining and depth of the stone. The dining table with four solid marble legs features clean lines and softened edges, highlighting the natural veins of the stone while emphasising strength and simplicity.

All pieces are handmade in Italy. Type of marble and sizes can be customised on request.
