

DESCRIPTION

An upholstered chair born from the idea of reducing visible structural elements, favouring abstract and sculptural forms to celebrate the balance of the few volumes that compose it: the swivel conical base, the rounded seat and the vertically cut backrest. Bill Light renews the model with a solid wood base: four legs, arranged in a radial configuration, extend towards the floor, giving the chair a warmer and more familiar presence without altering its formal identity.

DIMENSIONS

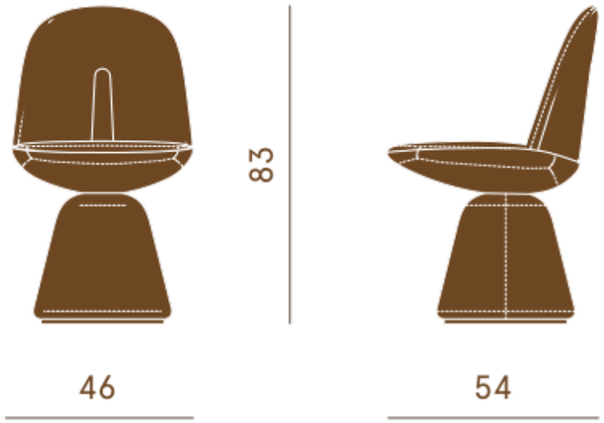

Bill (swivel base): 46 x 54 x 83 cm (18.1 x 21.3 x 32.7 in)
Bill Light (wooden legs): 46 x 53 x 83 cm (18.1 x 20.9 x 32.7 in)

MATERIALS

Upholstered chair with swivel conical base, rounded seat and vertically cut backrest, in leather or fabric. Bill Light variant: four solid wood legs in a radial configuration.

Seat height: 47 cm
Weights: Bill 10 kg / Bill Light 14 kg
Upholstery consumption: Bill leather 2.6 sqm / fabric 1.5 lm; Bill Light leather 1.8 sqm / fabric 1.05 lm
