

DESCRIPTION

A sculptural bed that contrasts the softness of its upholstered forms with the defined geometry of its wooden components. The softness of the fabric-covered headboard and bed frame is contrasted by the precision of the solid wood base that gently raises the structure off the ground, complemented by an upholstered base that extends slightly beyond the mattress and headboard, with the additional perimeter frame redefining the space designated for rest.

DIMENSIONS

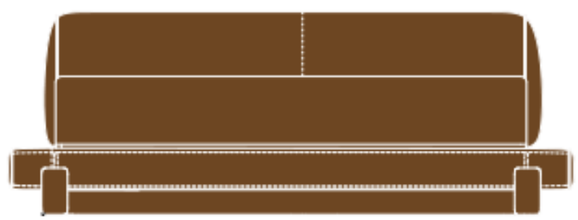

Maki (mattress 180 x 200 cm): 206 x 270 x 66 cm (81.1 x 106.3 x 26 in)

MATERIALS

Upholstered headboard and bed frame in leather or fabric, on a solid wood base raised off the ground. Perimeter upholstered frame extends slightly beyond the mattress and headboard.

Internal mattress size: 180 x 200 cm
Weight: 100 kg
Upholstery consumption: leather 12 sqm / fabric 7 lm
