BY SECOLO

Tateyama is a conversational sofa characterised by its soft curves and unusual shape, which encourages the users to engage with one another. It is both welcoming and comfortable. A gap has been carved out of the backrest, opening the sofa up to the rest of the room. The sofa can be upholstered in a number of different materials including COM. The belt and built-in side tables are available in metal or wood and in any of the vendor's metal finishes or wood stains, respectively.
