THARO | STOOL

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY EICHKORN

The Tharo stool is defined by its bold, carved form and strong architectural presence, crafted in burnt ash wood. Each piece features a sculptural base with deep, hand shaped cuts and a solid seat, creating a balance between raw materiality and refined proportion. The charred finish enhances the natural grain while giving the stools a rich, dark tone and a distinctly tactile quality.

SPECIFICATIONS
