Limited edition. Patina can be changed as required.

ORIGIN

Made in Europe

DETAILS

Electrical: 24 V, up to 3900 lm, dimmable

Elegant, simple but still present in the room. Wherever Phelia is used, it is there and has an impact. Its almost floating effect combined with the soft patina make it a versatile pendant lamp that illuminates the room with its warm but powerful light. Depending on your mood, you can dim Phelia as much as you like.
