EQUATION | COFFEE TABLE

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY MARTA DELGADO

The Equation Coffee Table is a statement of balance devised by juxtaposing form and function, surface and proportion, squares and circles. The metal, either brass or stainless steel, is bent, welded and finished with a thorough respect of the material, needed to achieve the smooth and curved shapes. The underlying reflections of matter and light are different on all sides, yet equivalent.

AS PICTURED
Brushed brass.
