DIVERGENT | DINING CHAIR

PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY MARTA DELGADO

The Divergent Chair features striking geometry and faceted surfaces, breaking away from convention. The seat is long, deep, and undeniably soft, while the distinctive backrest is thoughtfully designed to support a range of body types and heights. Sharp piping defines the silhouette, keeping the edges crisp. A faceted base adds lightness while keeping the sculptural feel. This piece is a bold statement made for those who stand out. For the divergent.
