Weight: 46.5 kg

Materials: Bronze, wood

Edition: Edition of 12 + 2 AP

Available exclusively in the original dimensions. Other bronze patinas and tabletop materials are available for this work; see the finishes sheet.

Three circular tops at different heights rest on slender cast bronze stems that intertwine and rise from a shared base, evoking water lilies floating on a pond. The bronze carries a gradient transition, dark at the base and opening to natural bronze at the tops.
