PRODUCT PHOTOGRAPHY & SPECIFICATIONS

CARLYLE COLLECTIVE

BY VAST STUDIO

Shown in Bone Elevated Concrete.

DESCRIPTION

Is it slightly imperfect or more than perfect? Wabi-sabi or shaped with bold intention? A cylinder gently bowed on one side leans upwards to an open mouth that promises to consume the cares of your day in purifying water. Its natural asymmetry conjures the movement of the ocean and the power of its flow while its arresting shape lures the observer with a siren song.

SPECIFICATIONS

Length	23.6 in (600 mm)
Width	14.4 in (366 mm)
Height	33.9 in (860 mm)
Material	Elevated Concrete
